

## PASSIER® Bridles and Browbands

Wonderful sparkle  
in Clear Crystal

Classy eye-catcher  
in Colorado Topaz

Mysterious  
elegance in Graphite

The browbands are available separately or as matching sets with every new Passier snaffle or double bridle.

Passier styling tip: The browband in Clear Crystal perfectly matches stainless steel fittings. Colorado Topaz looks best when combined with brass fittings (see cover photo).

**Clear Crystal**  
Brilliant and sparkling like a ray of light

**Colorado Topaz**  
Warm and glowing like the desert sun

**Graphite**  
Mysterious and shining like a dark diamant

## PASSIER® Jumping Saddles

Double row of Swarovski Elements on the cantle

Single row of Swarovski Elements on the cantle

One Swarovski Element on the skirt

One Swarovski Element on the stirrup strap loop

A grouping of Swarovski Elements on the skirt

Swarovski Elements in a variety of sizes on the flap

## PASSIER® Dressage Saddles

## PASSIER® Stirrup Leathers

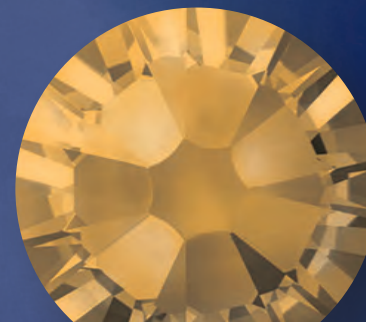

Add a touch of sparkling sophistication to the "Velvet Touch" Stirrup Leathers!

## PASSIER® Breastplates

From normal dressage or jumping saddle to unique design piece – turn heads with a sparkling performance in the dressage arena or on the jumping course! So beautiful with the precious Swarovski Elements!

Just a practical breast-plate? An elegant design piece – refined with up to three wonderful Swarovski Elements on the ends of the straps.
